about four bills which are not exceptionally controversial, hopefully not at least. They are Budget bills and hopefully we can process them this evening and maybe even some more but I think it's more important that we go to less controversial bills in our budget, Appropriation bills, than it would be to go to the so-called noncontroversial bills on that list. And so Mr. President, I would ask then that we do take up now LB 867.

PRESIDENT: 867

CLERK: Legislative Bill 867 introduced by Senator Koch.  
(Read LB 867) There are committee amendments by Senator Marvel's Appropriation Committee.

PRESIDENT: Senator Marvel.

SENATOR MARVEL: I move the adoption of the committee amendments. This amendment sets up the million dollars for next three years, a million dollars a year that will move the fund up to 12 million dollars. Question?

PRESIDENT: The question is the adoption of the committee amendments. Record your vote. Record.

CLERK: 26 ayes, 0 nays on motion to adopt.

PRESIDENT: The committee amendments are adopted. Senator Koch.

SENATOR KOCH: Mr. President and members of the body, you are all familiar with the intended purposes of this piece of legislation, I need not remind you of what it is for and how it's administered. I respectfully urge you to move the bill forward to E & R initial.

PRESIDENT: You know, when you call of the question, I ought to put that to a vote. There really aren't any lights on. Record your vote. Record.

CLERK: 28 ayes, 0 nays on motion to advance.

PRESIDENT: The bill is advanced, Senator Koch.

CLERK: (read LB 867A). There are no committee amendments or other amendments pending.

PRESIDENT: Senator Koch.

SENATOR KOCH: Mr. President, members of the body, I move to advance LB 867A to E & R initial.

PRESIDENT: Record your vote. Record.

CLERK: 29 ayes, 0 nays.

PRESIDENT: The bill is advanced.
